## RFID One-time-off PVC wristbands/Vinyl wristband

RFID vinyl wristbands for events wristband are made of soft vinyl material, featured with a one time off lock design. After wear on wrist, it cannot be transferred, the only way to move it away from wrist is to cut it off. Therefore, vinyl wristband is secure enough to against fraud. For special event, like sports game, non-authorized visitors cannot be identified and passed through the entrance, only those who are wearing the RFID wristband issued by events organizer can be identified and let in, which greatly guarantees the other visitors safety, and protects sponsors' brand promotion.

### FEATURE

1. Soft PVC material, comfortable to wear
